

WE ARE ACCOUNTANCY EUROPE.

EXPERT GROUPS

Composed of practitioners who have area-specific knowledge and skills, Expert Groups are at the heart of Accountancy Europe's daily work. They act as a sounding board and source of expertise. Each group is led by a Chair. Some groups also have Vice-Chairs, who lead work on specific topics aligned with the current strategy and short-term objectives.

MEET OUR EXPERT GROUP CHAIRS

BOARD

Based on our strategy, the Board supervises and guides our work. The Board acts in the collective interest of Accountancy Europe and of the whole European profession, independently from any national or sectoral interest. The Board has 12 members, including two executive members, from 10 countries and is chaired by the President. The President represents Accountancy Europe for a two-year term.
