NETWORKING COCKTAIL

STEPHAN CRETS

Stefan Crets is the Executive Director of CSR Europe, the European platform for companies and stakeholders to exchange and cooperate to become European leaders in sustainable competitiveness and societal wellbeing. Stefan has developed deep knowledge in CSR through his career. From 2002 onwards, Stefan worked as the CSR leader at Toyota Europe where he developed and implemented a new strategy which informed Toyota's worldwide approach. In 2008, Stefan was appointed General Manager for Corporate Planning and CSR, Toyota Europe. Twitter - [@Stefancrets](#)

ROSANNA TUFO

Rosanna Tufo is a project manager for the Management and Transparency project. Before CSR Europe she worked in the Finance department of UCB in charge of change management (including training stakeholders' engagement and training), data analysis and continuous improvement of internal processes for the implementation of a CRM system. Prior to UCB she has spent two years in Uganda and Mozambique working for NGOs on community development and internship programmes for students. Twitter - [@RosannaTufo](#)

PAUL GISBY

Paul Gisby is a manager at Accountancy Europe, before which he was a partner of a medium-sized accounting practice. At Accountancy Europe his primary focus is on non-financial reporting and tax policy. He is also Accountancy Europe's designated alternate for the European Commission's Tax Good Governance Platform and is a member of the Consultative Advisory Group of the International Public Sector Accounting Standards Board. Twitter - [@PaulGisby](#)

KAREN DIAZ

Karen Diaz is the public policy affairs coordinator at GRI, she strives to connect policymakers to the private sector by engaging governments and market regulators on the value of sustainability reporting. Her educational background steered her towards policy and international affairs, and inspired her to seek change through sustainable development. Twitter - [@karendiazGRI](#)

OLIVIER BOUTELLIS-TAFT

Olivier Boutellis-Taft has been Accountancy Europe's CEO since 2006. He benefits from a diversified professional experience, having been director with PricewaterhouseCoopers and with the European Policy Centre (a leading multi-constituency think-tank in Brussels), lecturer on EU affairs at Toulouse Business School, public prosecutor in France, and consultant serving in particular the banking and media industries. A lawyer and economist by training, Olivier also held several board positions as a non-executive director. Twitter - [@obt_ACE](#)

MARIA ALEXIOU

Maria Alexiou is a Corporate Social Responsibility Manager at Titan Cement Group where she has been dealing with CSR issues for the last 14 years. Prior to this, Maria served as a Corporate Relations and Social Responsibility Manager in Fanco S.A. Sportswear Manufacturer. As expert, she has worked for different organizations including among else the Greek Ministry of Labor, the Hellenic Organisation of Manpower, the Department of Research and Technology of the Greek Ministry of Development, CSR Europe, the European Foundation for Improving of Working and Living Condition, and other.

BEATRIZ ALONSO

Beatriz Alonso is the services team manager at CSR Europe. As a CSR Manager at BBVA, Beatriz gained wide experience in developing and managing international CSR strategies with country-level implementation. She also took up analytical and advisory roles regarding a wide array of CSR issues. Before joining the CSR field, Beatriz had a business development role within the bank related to business banking for SME's. In addition to this, Beatriz has been involved in social entrepreneurship and international cooperation projects for African and Latin American countries.

CHARLOTTE PORTIER

Charlotte Portier has a background in international law and human rights. As senior coordinator of sustainable development at GRI, she focuses her work on the Sustainable Development Goals and their relation with the private sector, as well as their impact on sustainability reporting. She started her career in Brussels, working for European networks, defending and advocating for the rights of persons with disabilities and social service providers. Twitter - [@ChIPortier](#)

WIM BARTELS

Wim Bartels is a partner for Corporate Reporting with KPMG The Netherlands. Prior to this role he worked as KPMG's Global Head of Sustainability Reporting and Assurance. He worked with listed clients across Europe since 2003. Wim is a member of the Task Force on Climate-related Financial Disclosures and serves on the Expert Panel of Accounting for Sustainability of the H.R.H. The Prince of Wales. He is also the Deputy Chair of the Accountancy Europe ESG Reporting Task Force. Twitter - [@WimBartels](#)

ALAIN DECKERS

Alain Deckers has almost 20 years of experience in public service at the European Commission. He has been responsible for policy reviews and policy development in areas including trade in goods, environmental policy, public procurement and financial services regulation. He currently heads a team of responsible for corporate reporting and transparency, including both financial and non-financial reporting. Twitter - [@ADeckers_EC](#)

TIM MOHIN

Tim J. Mohin is the Chief Executive of GRI, developer of the world's most widely used sustainability reporting standards. A veteran in the field of corporate sustainability reporting, Tim is responsible for leading GRI in achieving its vision of a thriving global community that lifts humanity and enhances the resources on which all life depends. Prior to his appointment as Chief Executive, Tim was Senior Director of Corporate Responsibility for Advanced Micro Devices (AMD). He is also a former Chairman of the Board for the Electronic Industry Citizenship Coalition (EICC) and former member of the Conflict Free Sourcing Initiative's steering committee. Tim started his career with the US government, where he held different positions dealing with environment protection. Twitter - [@TimJMohin](#)

NOTES

NOTES

Accountancy Europe unites 50 professional organisations from 37 countries that represent **1 million** professional accountants, auditors, and advisors. They make numbers work for people. Accountancy Europe translates their daily experience to inform the public policy debate in Europe and beyond. Accountancy Europe is in the EU Transparency Register (No 4713568401-18). [@AccountancyEU](#)

CSR Europe is the leading European business network for Corporate Social Responsibility. Through its network of 48 corporate members and 42 National CSR organisations, it gathers over 10,000 companies, and acts as a platform for those businesses looking to enhance sustainable growth and positively contribute to society. In its mission to bring the sustainability agenda forward, CSR Europe goes beyond European borders and cooperates with CSR organisations in other regions across the world. CSR Europe builds on its Enterprise 2020 Initiative with the Sustainable Business Exchange which incubates multi-stakeholder initiatives that tackle the UN 2030 Agenda for Sustainable Development. [@CSREuropeOrg](#)

GRI is an independent international organisation that has pioneered sustainability reporting since 1997. GRI helps businesses and governments worldwide understand and communicate their impact on critical sustainability issues such as climate change, human rights, governance and social well-being. This enables real action to create social, environmental and economic benefits for everyone. The GRI Sustainability Reporting Standards are developed with true multi-stakeholder contributions and rooted in the public interest. [@GRI_Secretariat](#)
